Declaration For Patent Application

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor(if only one name is listed below) or an original, first and joint inventor(if plural names are listed

•	ubject matter which is claimed and STRUCTURE		•ha a	pecification of which
	ck one) [V] is attached hereto.	·	, due s	pecurcation of which
•	, _		as	
	Application Serial No			
	and was amended on			
	and was amondous ou	(if applicable)		
I hereby state t amendmemt refe		and the contents of the ab	ove identified specification, including the c	laim(s), as amended by
I acknowledge th Regulations, § 1		ich is material to the exami	ination of this application in accordance wi	th Title 37, Code of Fed
•	also identified below any foreign		119 of any foreign application(s) for patent rentor's certificate having a filing date before	
Prior	r Foreign Application(s)			Priority Claimed

matter of each of Title 35, Unit	of the claims of this application is a ed States Code, § 112, I acknowled	not disclosed in the prior U lge the duty to disclose mat	United States application(s) listed below and, nited States application in the manner provierial information as defined in Title 37, Coulomb and the national or PCT international filing date	ded by the first paragraphie of Federal Regulations
matter of each of Title 35, Unit	of the claims of this application is a ed States Code, § 112, I acknowled	not disclosed in the prior U lge the duty to disclose mat	nited States application in the manner provi erial information as defined in Title 37, Coo	ded by the first paragrap de of Federal Regulations of this application:
matter of each of Title 35, Unit	of the claims of this application is a ed States Code, § 112, I acknowled occurred between the filing date o	not disclosed in the prior U dge the duty to disclose mat f the prior application and t	nited States application in the manner provierial information as defined in Title 37, Country he national or PCT international filing date	ded by the first paragrap de of Federal Regulations of this application: abandoned)
matter of each of Title 35, Unit § 1.56(a) which	of the claims of this application is a sed States Code, § 112, I acknowled occurred between the filing date of (Application Serial No.)	not disclosed in the prior U dge the duty to disclose mat f the prior application and t (Filing Date)	nited States application in the manner provierial information as defined in Title 37, Con the national or PCT international filing date (Status) (patented, pending,	ded by the first paragrap de of Federal Regulations of this application: abandoned)
matter of each of Title 35, Unit § 1.56(a) which	of the claims of this application is a sed States Code, § 112, I acknowled occurred between the filing date of the complex (Application Serial No.) (Application Serial No.)	not disclosed in the prior U lige the duty to disclose mat f the prior application and t (Filing Date) (Filing Date)	nited States application in the manner provierial information as defined in Title 37, Con the national or PCT international filing date (Status) (patented, pending,	ded by the first paragrap de of Federal Regulations of this application: abandoned)
matter of each of Title 35, Unit § 1.56(a) which	of the claims of this application is a set of States Code, § 112, I acknowled occurred between the filing date of (Application Serial No.) (Application Serial No.)	not disclosed in the prior U lige the duty to disclose mat f the prior application and t (Filing Date) (Filing Date)	nited States application in the manner provierial information as defined in Title 37, Con the national or PCT international filing date (Status) (patented, pending,	ded by the first paragrap de of Federal Regulations of this application: abandoned)
matter of each of Title 35, Unit § 1.56(a) which And I hereby ap Please direct all I hereby declare to be true; and or imprisonment,	of the claims of this application is red States Code, § 112, I acknowled occurred between the filing date of the communication Serial No.) (Application Serial No.)	and disclosed in the prior U dge the duty to disclose mat f the prior application and t (Filing Date) (Filing Date) ddress:	nited States application in the manner provierial information as defined in Title 37, Con the national or PCT international filing date (Status) (patented, pending,	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are belief are punishable by
matter of each of Title 35, Unit § 1.56(a) which And I hereby ap Please direct all I hereby declare to be true; and or imprisonment, of the application	of the claims of this application is red States Code, § 112, I acknowled occurred between the filing date of the communication Serial No.) (Application Serial No.)	not disclosed in the prior U lige the duty to disclose mat f the prior application and t (Filing Date) (Filing Date) ddress: of my own knowledge are tr made with the knowledge Title 18 of the United State	nited States application in the manner provierial information as defined in Title 37, Cook he national or PCT international filing date (Status) (patented, pending, (Status) (patented, pending, ue and that all statements made on inform that willful false statements and the like so	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are belief are punishable by
Matter of each of Title 35, Unit § 1.56(a) which And I hereby ap Please direct all I hereby declare to be true; and or imprisonment, of the application	of the claims of this application is red States Code, § 112, I acknowled occurred between the filing date of the communication Serial No.) (Application Serial No.)	and disclosed in the prior U dge the duty to disclose mat f the prior application and t (Filing Date) (Filing Date) ddress:	nited States application in the manner provierial information as defined in Title 37, Cook he national or PCT international filing date (Status) (patented, pending, (Status) (patented, pending, ue and that all statements made on inform that willful false statements and the like so	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are belief are punishable by the may jeopardize the val
matter of each of Title 35, Unit § 1.56(a) which And I hereby ap Please direct all I hereby declare to be true; and or imprisonment, of the application Full name of solutions.	of the claims of this application is red States Code, § 112, I acknowled occurred between the filing date of the communication Serial No.) (Application Serial No.)	ont disclosed in the prior United the duty to disclose mate of the prior application and the prior (Filing Date) (Filing Date) The prior the prior United States are the prior the pri	nited States application in the manner provierial information as defined in Title 37, Coshe national or PCT international filing date (Status) (patented, pending, (Status) (patented, pending, (Status) (patented, pending, ue and that all statements made on inform that willful false statements and the like so is Code and that such willful false statements	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are belief are punishable by the may jeopardize the val
And I hereby ap Please direct all I hereby declare to be true; and or imprisonment, of the application Full name of sol Inventor's signature Residence T	of the claims of this application is red States Code, § 112, I acknowled occurred between the filing date of the communication Serial No.) (Application Serial No.)	ont disclosed in the prior United the duty to disclose mate of the prior application and the prior (Filing Date) (Filing Date) The prior the prior United States are the prior the pri	nited States application in the manner provierial information as defined in Title 37, Coshe national or PCT international filing date (Status) (patented, pending, (Status) (patented, pending, (Status) (patented, pending, ue and that all statements made on inform that willful false statements and the like so is Code and that such willful false statements	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are beliant made are punishable by the may jeopardize the value of the same paragraphic same properties of the same paragraphic same properties of the same prop
And I hereby ap Please direct all I hereby declare to be true; and or imprisonment, of the application Full name of sol Inventor's signature Residence T	that all statements made herein of further that these statements were or both, under Section 1001 of Toronany patent issued thereon. The or any patent issued thereon.	not disclosed in the prior United the duty to disclose mate of the prior application and the pri	nited States application in the manner provierial information as defined in Title 37, Coshe national or PCT international filing date (Status) (patented, pending, (Status) (patented, pending, (Status) (patented, pending, ue and that all statements made on inform that willful false statements and the like so is Code and that such willful false statements	ded by the first paragraphe of Federal Regulations of this application: abandoned) abandoned) attain and belief are beliant made are punishable by the may jeopardize the value of the same paragraphic same properties of the same paragraphic same properties of the same prop
